The Prince You Charmed

The Prince You Charmed-a songfic from Youngstown's "The Prince You Charmed"

> Joe's P.O.V.*@----}----{----@*

> -I've heard time and time again, how all things fall apart.
 How nothing lasts forever, well they're wrong.-

>
 People say that love doesn't last forever. Don't listen to the movies, or don't listen to the fairytales. But I know by experience that love does last forever....

>
 -'Cause through the thick and thin and the nights that seemed so long.

> You were there without a worry you stood strong.-

> I know before forever began because she's always been there for me. All I have to do is call out her name and she'll be there standing strongly by me....

>
 -You've got the key to my heart, right here in my arms.

> I'll keep you safe and warm
 And you'll never have to worry, never want for nothin'

> 'Cause I'm...I'm the prince you charmed.-

> I'll never let anything happen to her.... Through a storm in her life, all she has to do is run into my arms and forget all her worries.

> -It seems so long ago, when my world was upside down
 When my life was filled with tears and the skies were gray

> But the you came around
 I never felt love so profound

> I never knew that happiness could feel this way
 You've got the key baby.-

>
 Before she came into my life, I was the pessimist. I'm always the one to drag people down with me. But then she came into my life and brought it color. Ever since then, I know that I'll love you forever....

>
 -You've got the key to my heart, right here in my arms,
> I'll keep you safe and warm
 And you'll never have to worry,
never want for nothin'
> 'Cause I'm...I'm the prince you charmed.-

> Mimi, I want you to know that you'll always have all my love.
Forever and more.

> -I'll shout it out to the heavens,
 Thank God for your love
> And all the things that you do-

> I'll do anything to show Mimi my love for her. I wanna thank my
lucky star for letting me find her and letting me keep her in my
arms.....

> -You've got the key to my heart, right here in my arms,
 I'll
keep you safe and warm
> And you'll never have to worry, never want for nothin'
 'Cause
I'm...I'm the prince you charmed.-
>
 I swear that from now on, I'll keep her in my arms during
anything. I want to thank her for making my life beautiful. Thank her
for turning my old, pessimistic self into Prince Charming. I want her
to know that she can always run to me and I'll be there for you.
She'll have all of my heart, my soul, my love, and myself, Joe Kido.
